

## 316E Electric

This electric saw satisfies the same tough professional demands on reliability, safety and ergonomics as our gas-driven saws. With its long, slim body, powerful electric engine, low vibration and noise levels, this saw is useful for working both indoors and outdoors. Stop time is below one second for maximum safety.

### **INERTIA ACTIVATED CHAIN BRAKE**

Reduces the likelihood of injury due to kickback.

**Technical data Voltage****110 V**

Power rating	1600 W
Oil tank volume	0.2 US pint
Oil pump type	Automatic
Chain pitch	3/8"
Chain speed at max power	48 fts
Bar length	14 inch
Chain gauge	0.05"
Vibrations front handle	4.4 m/s <sup>2</sup>
Vibrations rear handle	5.4 m/s <sup>2</sup>
Weight (excl. cutting equipment)	9.7 lbs
