Dee Zee, Inc guarantees the original purchaser a limited lifetime warranty against manufacturer defects in materials, workmanship and design under normal use excluding damage resulting from road hazards such as gravel or other debris, product misuse, improper installation, impairments from accidents, product modifications, spills, vandalism, or product neglect. Wear items such as shocks, latches, keys, hinges, step pads, seals, etc have a one-year warranty.

This warranty applies only to new products and is limited to the repair or replacement of genuine Dee Zee products. Warranty does not include electrical components, light bulb replacement, and cost of removal, installation, labor, transportation costs, and loss of use, inconvenience or consequential damages.

Modifications of any kind to Dee Zee products void all warranties. The original purchaser may be required (at Dee Zee's sole discretion) to return the defective merchandise, provide a photograph, or provide the original purchase receipt to the original place of purchase or Dee Zee, Inc.

TRANSFER TANK PUMPS & ACCESSORIES

All GPI products including transfer tank pumps and related items are covered by the GPI warranty. To submit a warranty claim, please contact GPI directly at (800) 835-0113. Dee Zee, Inc. warranty terms do not apply to GPI products. You may also visit www.GPI.net

FINISH PROTECTION & FINISH WARRANTY TERMS

Dee Zee products have a high quality finish that must be cared for like any other exposed finish on the vehicle. Protect the finish with a non-abrasive automotive wax, (e.g. Pure Carnauba) on a regular basis. The use of any soap, polish or wax that contains an abrasive is detrimental, as the compounds scratch the finish and open it to corrosion. The finish of all Dee Zee products is covered for 1 year from the date of purchase. Claims submitted after one year from the date of purchase are subject to review, and are covered at the sole discretion of Dee Zee, Inc.

DISCLAIMER

Buyer assumes all risk and liability for the installation and use of Dee Zee products. Dee Zee products are sold as appearance accessories and should not be relied upon as protection for the vehicle or its occupants in the event of a collision or roll over. Vehicles equipped with a supplemental restraints system (air bags) deployed by impact should not be modified in any way. Always consult the vehicle manufacturer if you have any questions regarding supplemental restraint systems. Dee Zee, Inc assumes no liability for injury, loss, incidental or consequential damages in the event of an accident.
