

# Silica Gel Dehumidifier

The Silica Gel Dehumidifier is a smart idea for any safe owner. It protects 57 cubic feet of space and prevents condensation; stops rust, mildew, corrosion and spoilage. When its blue granules in the cap turn pink, simply remove unit and reactivate in the oven. Provides a lifetime of protection.

## Features:

- Non-toxic, Safe To Use With Sensitive Materials.
- Blue-to-Pink Indicator Cap.
- Reactivates Easily In Oven.
