5	Side Brace	2	11	Arm Riser	2
6	Bench Back	1			

HARDWARE LISTS

TIPS BEFORE YOU START!

1. Ensure that all parts are present prior to assembly.
2. Check all packing material carefully before discarding, as some parts may be encased in the packing material.
3. For ease and speed assembly, it is recommended that prior to each step all required parts are identified.
4. Ensure that you have sufficient space and people (as indicated on page 1) to assemble product safely.
5. During assembly take care not to over-tighten any fittings, as this may damage the product.

CARE AND MAINTENANCE

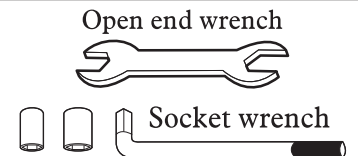

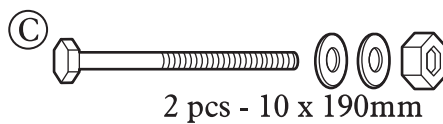

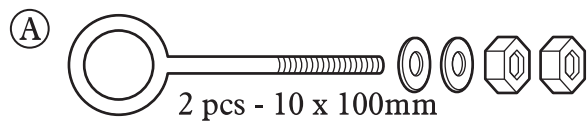

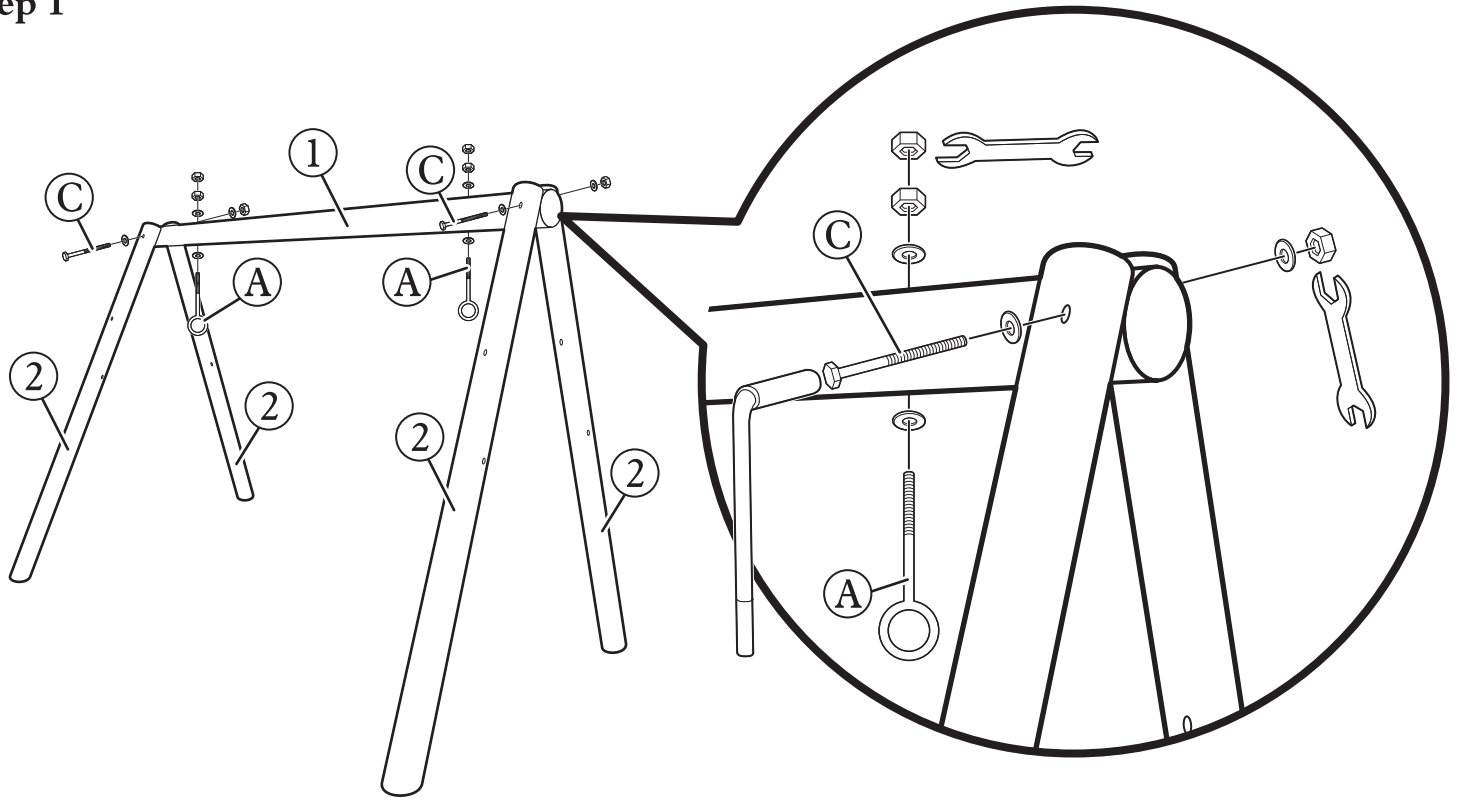

- For domestic and outdoor use.
- Periodically check all fittings and re-tighten as necessary.
- Do not stand on swing.
- This product should only be used on firm, level ground.
- Checking (cracking that runs the length of the log) is natural and does not effect strength.

WEIGHT LIMIT

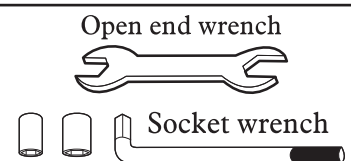

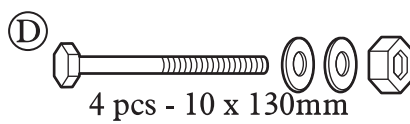

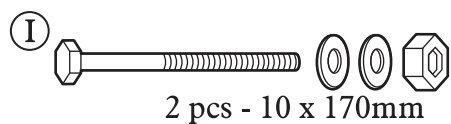

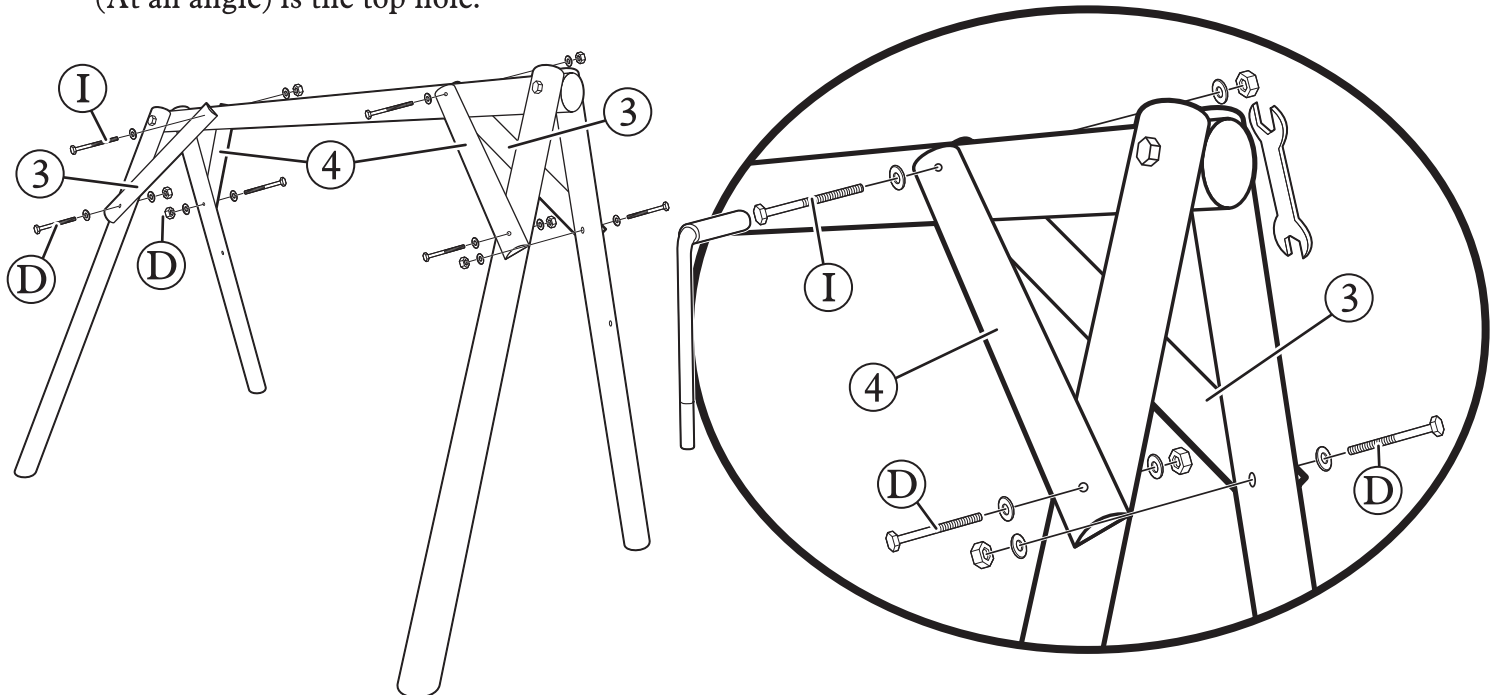

Chair: 800 lb. (362 kg.)

ASSEMBLY INSTRUCTIONS

Step 1

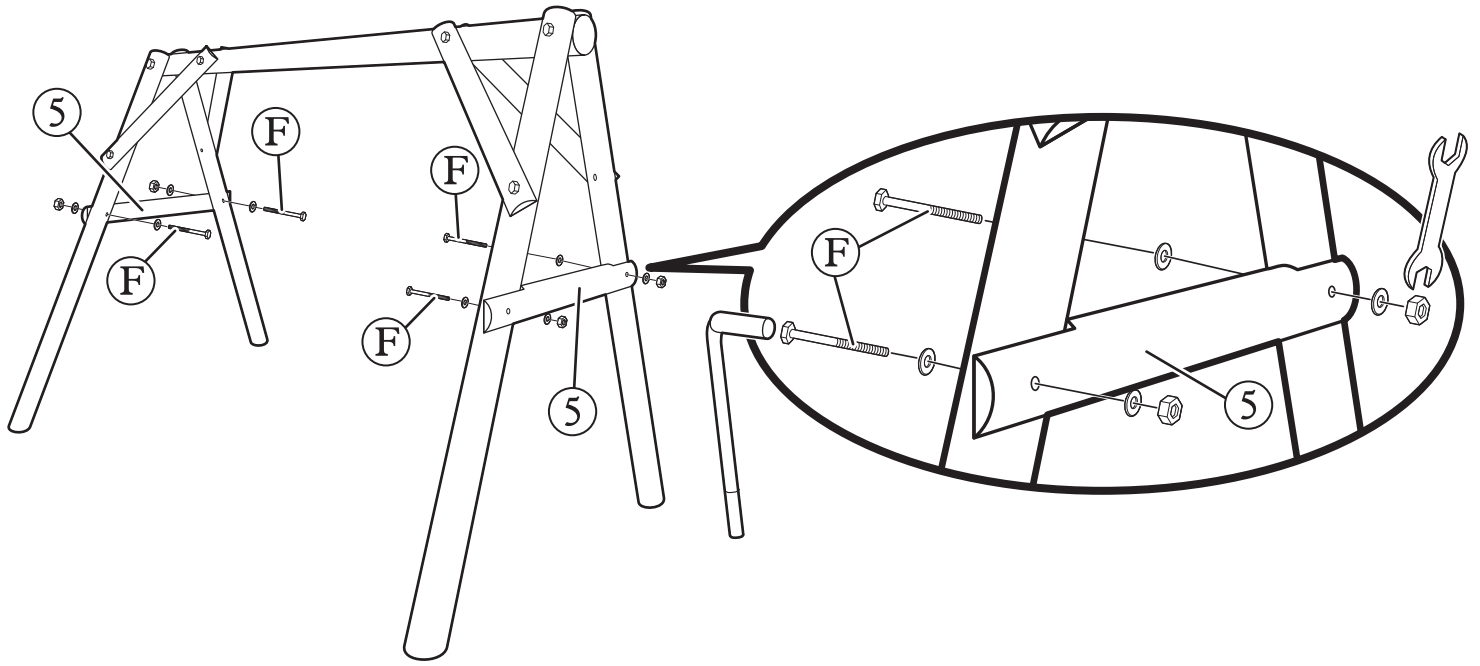

Step 2 Note: The Diagonal Braces (Part 3, part 4) have a hole on each end. The non-perpendicular hole (At an angle) is the top hole.
