John Deere MINI POWER LOADER tractor – Model # IGED1111

6-Volt, rechargeable battery powered construction tractor; for use indoors or outside on hard surfaces, dirt or smooth level grass

Little construction operators can scoop, carry and dump the front bucket from the driver's seat. It gets even better; they can step on the accelerator and haul their load around the yard. Your 2-4 year old will spend hours riding and playing with this John Deere construction tractor. Operates at 2¼ mph indoors or outside on smooth level grass dirt or paved surface and it has with automatic brakes when they lift their foot from the accelerator. Seat adjusts for growing legs. 6-volt rechargeable battery and charger included. Made in USA.

Selling Features:

- Rechargeable battery powered
- Drive indoors or outside; on dirt or smooth level grass at 2¼ mph
- Foot pedal accelerator and automatic brakes
- Front dump bucket
- Adjustable seat
- 6-volt rechargeable battery and charger included
- Free 2nd year extension to regular warranty with consumer participation
- Ages: 2 – 4 years
- Weight capacity: 55 lb
- Made in USA

Peg Perego battery powered vehicles come complete with rechargeable battery and charger. The enclosed drive mechanism and wiring is fully assembled; the accessory components are easily assembled.

Warranty: 1 year Limited Warranty with a FREE 2nd year extension (requires consumer participation).

Batteries, chargers and wheels are warranted for 6 months.
