

Deluxe Arched Snow Thrower Cab – 52-087-010401-00

Roomy and rugged cab protects against the worst weather and snow blow-back

Fits most two-stage snow throwers with or without four-way chute control

Great for Ariens, Toro, Cub Cadet, Honda, Husqvarna, Craftsman and other snow throwers

- Lightweight and easy to install/assemble
 - Large cab provides maximum coverage for the worst conditions
 - Weather-X fabric won't shrink or stretch and resists both water and snow
 - Designed to fit most dual stage snow throwers such as Ariens, Toro, Cub Cadet, Honda, Husqvarna, and others
 - Freeze-resistant, super-clear vinyl windows
 - No drilling—quickly installs with standard hand tools
 - Modular clamping system provides a variety of mounting options and securely holds cab in place
 - Assembled cab can be easily removed for transport and/or storage
 - High visibility reflective piping allows cab to be seen while working in low light conditions
 - 23.5 cubic feet of interior room
 - 2-year warranty
 - Color: Black
