TERMS OF USE AND LIMITATION OF LIABILITY

1. TERMS OF USE

This Product is offered to you conditioned upon your acceptance without modification of the terms, conditions, and notices contained herein. Usage of this Product implies acceptance of all such terms, conditions, and notices.

2. PROPER USE

This Product is designed for use with dogs where tracking and training are desired. The specific temperament of your dog may not work with this Product. We recommend that you not use this Product if your dog is less than 8 pounds or if your dog is aggressive. If you are unsure whether this is appropriate for your dog, please consult your veterinarian, certified trainer, or contact our Customer Care Center at 1-800-732-0144.

Proper use includes reviewing the entire Operating and Training Guide, and any specific safety information.

3. NO UNLAWFUL OR PROHIBITED USE

This Product is designed for use with dogs only. This dog tracking and training device is not intended to harm, injure, or provoke. Using this Product in a way that is not intended could result in violation of Federal, State, or local laws.

4. LIMITATION OF LIABILITY

In no event shall Radio Systems® Corporation be liable for any direct, indirect, punitive, incidental, special or consequential damages, or any damages whatsoever arising out of or connected with the use or misuse of this Product. Buyer assumes all risks and liability from the use of this Product.

5. MODIFICATION OF TERMS AND CONDITIONS

Radio Systems Corporation reserves the right to change the terms, conditions, and notices under which this Product is offered.

COMPLIANCE

FCC

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a specific installation. If interference does occur to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Contact customer service or an experienced radio/TV technician for assistance.

CAUTION Unauthorized changes or modifications to the equipment may violate FCC regulations and could void the user's authority to operate the equipment.

BATTERY DISPOSAL

WARNING See Important Safety Information related to the battery in the TEK Series 2.0 Operating Guide.

This system operates on one 4400mAh capacity Lithium-Ion battery pack. Call the Customer Care Center if your battery needs to be replaced.

Separate collection of spent batteries is required in many regions; check the regulations in your area before discarding spent batteries. If you wish to ship us your spent batteries for disposal, contact the Customer Care Center.
