

A Cozy Condo that Pops Up at Home or on the Go

- 🐱 Lightweight and portable
- 🐱 Assembles in seconds
- 🐱 Durable canvas construction
- 🐱 Folds flat for storage
- 🐱 Perfect pet hideout for travel

Instructions:

Release toggle buttons on each side to open Condo. Place the three support rods vertical and secure in the canvas pockets at the bottom and top of the Condo, making sure they slide through the canvas loops in the center of the three sides. To close, pull the support rods out, place inside, collapse Condo, and reconnect the toggle buttons.
