BIGGER RACKS OR YOUR MONEY BACK GUARANTEED

If the whitetails on and around your property don't have much bigger racks (and you're the judge) after feeding Lucky Buck mineral for 2 years year-round, we will give you your money back.

Purchase price up to \$20.00 per bucket for up to 5 buckets each year per household. Just return the proof of purchase number from inside the bucket along with the location, date of purchase, and price paid to Mar-Vo Mineral's. Also tell us where you used it for the two years that it didn't work and we will refund your money. The numbers must match up to the location of purchase and must have been purchased in each of the two years. You must claim this within 3 years of the purchase of the first guaranteed product.
