Fresh Coop
ODOR CONTROL™
for your Backyard Chickens

The safe and easy way to manage ammonia odor and moisture levels present in backyard chicken coops. There are so many joys of owning your own chickens but the odors that backyard chickens create can be anything but fun. Make sure you solve your problem simply, and affordably with **Fresh Coop™ Odor Control**.

Fresh Coop
Dust Bath™

To remain healthy and happy your birds need to bathe regularly. Dusting is part of your flock's daily preening maintenance. Now you can promote and enhance this important natural behavior with **Fresh Coop™ Dust Bath**. Simply sprinkle **Fresh Coop™ Dust Bath** in your flock's favorite scratch area or provide a suitable container. **Fresh Coop™ Dust Bath** absorbs excess oils, helping to keep your flock's feathers clean and in top condition.
