

Doubleback™ Harness

a strength-rated belay harness that opens up areas that were previously difficult for dogs to access, while providing an increased level of safety, comfort and convenience

KEY FEATURES

Customizable, secure fit with seven points of adjustment

- A** Padded belly support and leg loops provide stability and weight dispersion
- B** Anodized aluminum Doubleback buckles for safety and durability
- C** Main tie-in point provides easy rope attachment
- D** Leg loops can be stowed for increased mobility during approach
