

WATER PUMPS

CLEAN WATER & Semi-Trash

GENERAC[®]

Easily Pumps Water at a High-flow Capacity

CLEAN WATER & SEMI-TRASH WATER PUMPS

CW15K & ST20K

Generac's clean water and semi-trash water pumps are designed, engineered and manufactured to offer the most reliable water removal solution for homeowners, farmers, construction crews, and more. They can resolve water transfer needs from the draining of swimming pools and ponds, to the removal of standing water from basements or farm fields.

ENGINEERED SPECIFICALLY TO MEET CUSTOMER NEEDS

Easy-to-use with characteristics such as onboard instructions with icons of key touch points for easy setup, color-coded suction and discharge points to ensure proper hose connections, easy-prime custom funnel design and all-inclusive hose kits.

POWERFUL PUMP

easily pumps up to 80 gallons per minute

ONBOARD INSTRUCTIONS

with icons of key touch points make this pump easy to use

ERGONOMIC CARRY HANDLE

with soft grip for comfort

GENERAC 79CC OHV ENGINE

EASY PRIME

Custom funnel design for quick & easy priming. *On both ST20K & CW15K models*

Color-coded suction and discharge ports to ensure the correct hose connections

Blue = Discharge

Green = Suction

WHAT'S INCLUDED

All inclusive kit includes 10' suction hose (12' hose on ST20K), 25' discharge hose, and strainer

CW15K & ST20K

WATER PUMPS

SPECIFICATIONS

MODEL	CW15K	ST20K
Part #	6821	6822
Engine	Generac OHV / 4 cycle	Generac OHV / 4 cycle
Engine Displacement (cc)	79.8	208
Start Type	Recoil Pull Start	Recoil Pull Start
Low Oil Shutdown	No	Yes
Fuel Capacity (gal.)	0.4	3
Mechanical Seal Type	Carbon Ceramic	Silicon Carbide
Max Total Head (ft.)	80	108
Max Suction Lift (ft.)	26	26
Self-Priming	Yes	Yes
Run Time	1.5 hrs	5 hrs
Suction Port (in.)	1.5	2
Flow (GPM)	80	158
Discharge Port (in.)	1.5	2
Pump Housing	Aluminum	Aluminum
Volute	Cast Iron	Cast Iron
Solid Handling (in.)	NA	0.25
Impellers	Cast Iron	Cast Iron
Hose Kit	Yes	Yes
Discharge Hose Length (ft.)	25	25
Suction Hose Length (ft.)	10	12
Hose Connections	Plastic Speed Nut	Metal Speed Nut
Strainer	Plastic	Plastic
Wheel Kit	NA	Yes
Warranty	1 Year	1 Year

A Tradition of Quality and Innovation

For over 50 years, Generac Power Systems has been a leader in innovative design and superior manufacturing. When it comes to developing products that are both durable and reliable, we stand head and shoulders above our competition. The result of our efforts can be seen across our many product offerings.

We design and build engine-driven power generation equipment, automatic transfer switches, control systems, air-cooled engines, power washers and water pumps.

Regardless of the product, our vertical integration allows us to control the quality, availability and flow of materials throughout the manufacturing process. And each product is factory tested prior to shipment. It is this ongoing commitment to quality and innovation that has made Generac a name that people have come to trust.
