**Additional Features:**

The personal/travel ultrasonic humidifier with *Perfect Aire Micro Mist®* can use a variety of water bottles as its water tank. *(Water bottle not included.)*

The unit produces visible, cool mist and has no filter to replace.

*Perfect Aire® Micro Mist* water particles are smaller than water particles produced by regular ultrasonic humidifiers.

Benefits of this patent pending technology include:

- Up to 40% greater output
- Water vapor particles that are 70-80% smaller for quicker air dispersion
- 25% greater room coverage
- Less condensation on and around the unit
