Assembling

Instruction

DOUBLE CHICKEN COOP  
No. 07-55958

Fit the front and back parts (1) of the left sleeping house to the side walls (5) (5).

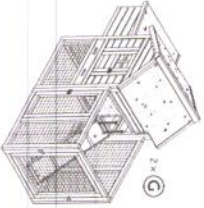

1.

Invert the perch (12) and the drawer (10).

8.

Insert the ramp (11) and fix it to the house.

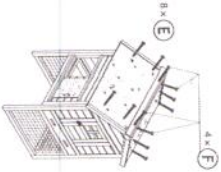

15.

Insert the perch (12) and the drawer (10).

2.

Attach to the roof plates (8) and the ridge (9) to the right sleeping house.

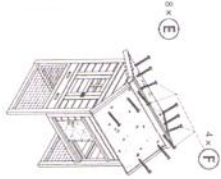

9.

First of all, when starting with the mounting of the right enclosure, fix the support for the ramp (26) to the back wall of the enclosure (22).

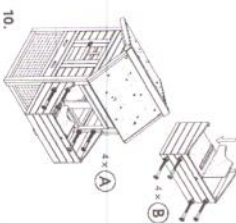

16.

Attach to the roof plates (8) and the ridge (9) to the sleeping house.

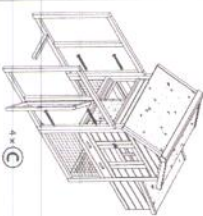

3.

Screw the front and back parts of the nesting box (13) (14) to the side wall (15) and the bottom plate (17) of the nesting box. Invert the divider (18).

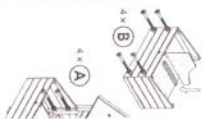

10.

Then screw the front part (20) and the back wall (22) to the right sleeping house.

17.

Screw the front and back parts (13) (14) to the side wall (15) and the bottom plate (17) of the nesting box. Invert the divider (18).

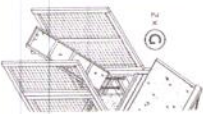

4.

Fit the roof plate (16) to the nesting box.

11.

Insert the ramp (11) and fix it to the house.

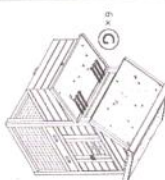

18.

Fit the nesting box and the bottom plate (17) of the nesting box. Invert the divider (18).

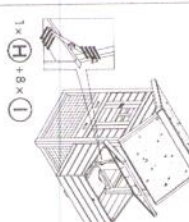

5.

Fit the roof plate (16) to the nesting box.

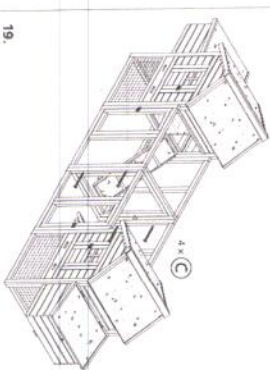

Now attach the right check strap (9) to the roof plate and the side wall.

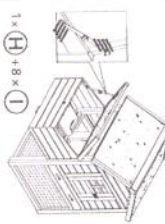

12.

Now screw both parts of the chicken coop together.

19.

Now attach the left check strap (9) to the roof plate and the side wall.

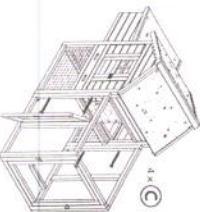

6.

Start mounting the left enclosure. First screw the front part (19) to the divider (23) and the back wall (21). Fix the support for the ramp (26) to the back wall as shown in the picture.

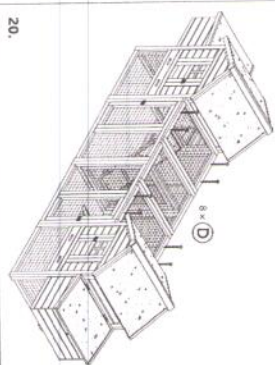

13.

Screw the left enclosure to the left sleeping house.

14.

At last fix the roof parts (24) (25) to the enclosure.

20.
