

THINK OUTSIDE THE HIVE

## BEEHAVEN

### HELP THE GLOBAL BACKYARD

**More Pollination.  
More Food.  
Globally.**

You are supporting the future of the global backyard by raising native bees.

Learn more about Crown Bees' mission to bring food to the global table at [CrownBees.com](http://CrownBees.com)!

### WE SUPPORT YOU!

#### Questions?

## INSTRUCTIONS

### REDEEM YOUR BEES

1. Go to [CrownBees.com/BeeHaven](http://CrownBees.com/BeeHaven)
2. Enter the Certificate #: 

**BHX-SAMPLE**

3. Redeem now to ensure bees ship on your preferred date (see below)
4. Bees ship using USPS first class mail

### WHEN TO SHIP BEES

1. Temperature and blossoms are important!
2. Choose a date when daytime temps are consistently 75°F or more
3. Choose a date when your flowers and veggies are in bloom and are ready for pollination

4. Bees ship from May until August
5. Certificates do not expire

### BEE HOUSE PLACEMENT

1. Surface-mount the BeeHaven at eye-level outside on a wall, post, or fence
2. An ideal location receives morning sunlight
3. Place within 300 ft of pollen source

### BEE-READY GARDEN

1. Eliminate or lessen yard chemical use
2. Have tender plant leaves nearby for the summer leafcutter bee to use as nesting material
3. Plant a fruit and vegetable garden and enjoy extra food!
