

Thank you for purchasing K&H Manufacturing's Classy Go Carrier™

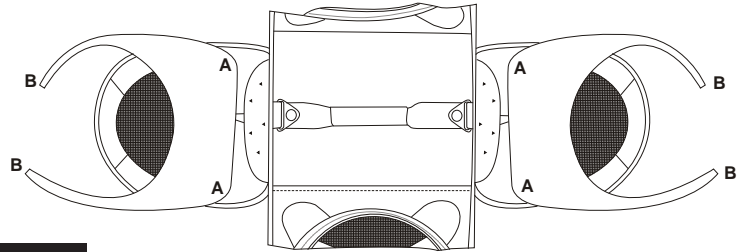

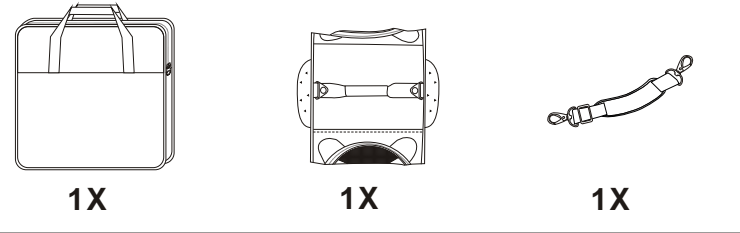

Assembly Instructions

1

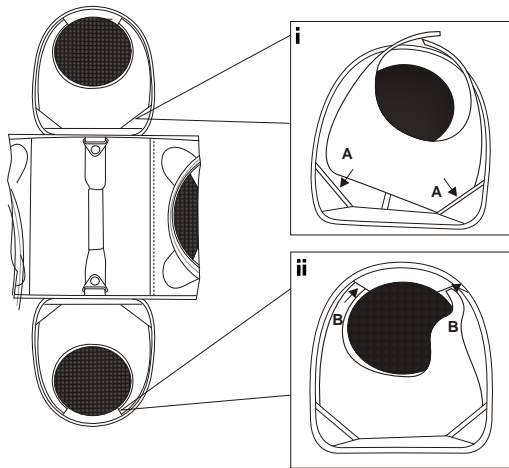

A handy carrying bag is included with your new K&H carrier.

What does the Classy Go Carrier™ come with?

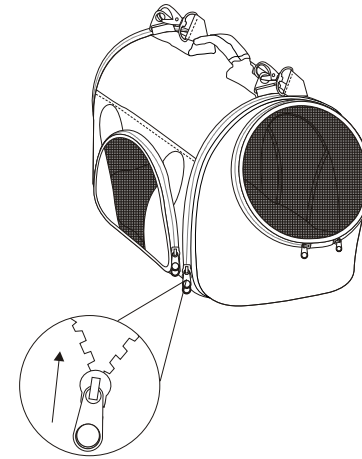

2

Locate the black support wings that are attached to the carrier.

3

Tuck the bottom edges (A) into the bottom pockets. Slide the wing tips (B) into the sleeve on the top of the door.

4

Zip your new carrier together.
