

18" ADJUSTABLE ELEGANCE & PERFORMANCE PEDESTAL FAN

Model 1820

Elegance *AND* Performance, can it be done?

Now it can, with the 18" Elegance & Performance Pedestal Fan... The great room has always been difficult to keep cool. Most plastic fans are simply not enough. And your home is not exactly "commercial grade", so those metal fans won't do either. What you need is the 18" Elegance & Performance Pedestal Fan. The stylish *elegance grill* blends into the surrounding décor, while three whisper-quiet speeds deliver comforting winds. With fully adjustable height, optional oscillation, and adjustable tilt-back - it's a *great fan for the great room.*

- Three Whisper-quiet Speeds
- Full 90° Oscillation or Stationary Cooling
- Fully Adjustable Height (38" to 54-1/2") for Maximum Versatility
- Adjustable Tilt-Back to direct air where needed
- Energy-Efficient Operation
- Simple Assembly Required
- ETL Listed
