

## **30" INDUSTRIAL GRADE PEDESTAL FAN**

## **30" OSCILLATING INDUSTRIAL GRADE PEDESTAL FAN**

Model 3130 (stationary)

Model 3135 (oscillating)

**For large-scale air circulation,  
the heavy-duty, high velocity,  
30" Industrial Grade Pedestal  
Fan series fits the bill. These  
fans make easy work of  
cooling warehouses,  
auditoriums, health clubs,  
and other large spaces.**
