

20" WEATHER SHIELD PERFORMANCE BOX FAN

Model 3720

Our 20" Weather Shield Performance Box Fan features a specially designed grill that focuses its air delivery to keep you cool! It has three quiet speed settings, so you can adjust it to any situation. It is enhanced with a patented Weather Shield® motor for worry-free window use, a wider body for greater floor stability, and easy-to-use controls located on the handle. Safety features include a patented fused plug cord set.

- Patented, isolated Weather Shield motor for worry-free window use
- High-performance grille for ultimate airflow
- Wider body for greater floor stability
- Three whisper-quiet speeds
- Energy-efficient operation
- 2-year limited warranty
- ETL Listed
