TRIANGLE PROPANE HEATER

Get ready to entertain all year-long with Hanover Outdoor's resilient Triangle Propane Heater. Standing at an impressive 7.5-ft. tall, this patio heater integrates sophisticated design with exceptional functionality and superior quality. This sturdy, steel-constructed triangle heater projects a powerful 42,000 BTUs of heat within a 16.4-ft. heat radius.

Perfect for those chilly nights outdoors, the battery ignition start adjusts from low to high heat suited to your liking. Choose from Hammered Bronze, or Stainless Steel to add the finishing touches to your outdoor décor.
