Net Contents: 1 Gallon / 3.78 L

Fountain & Aeration Cleaner is a powerful and multifunctional cleaner that deep cleans and removes limescale, calcium, rust stains and other mineral deposits.

Fountain & Aeration Cleaner is easy to use and is a stronger, safer alternative to using dangerous cleaners like hydrochloric or muriatic acid. The DfE (US EPA Designed for the Environment) approved formula doesn't release harmful chemical fumes and will biodegrade in 10 days or less.

Fountain & Aeration Cleaner is approved for direct environmental discharge, is noncorrosive, nonhazardous, not regulated by US DOT or Canadian TDG.

DIRECTIONS FOR USE:

SPRAY METHOD: Apply direct concentration with foaming tip spray bottle (not included). Allow product to come in contact with treated surface for 10-30 seconds. Remove excess product with soft cloth and rinse with clean water.

SOAK METHOD: Mix 1 part Fountain & Aeration Cleaner with 9 parts water. Soak equipment for 1-3 minutes then remove from solution and rinse with clean water. Repeat if necessary.
