1. Lay folded cage on the floor with the pan on the bottom, unhook the latch from the side of the cage.
2. "Double Door Cage" consists of three parts: Divider, Handle and your Pet's home.
3. Unfold one side of the cage completely and place it on the ground.
4. Grab any part of the wire mesh on the top panel of the cage and pull it upwards until it rests on the bottom panel, and create a rectangular shape.
5. Pull the side panel out until the hooks lock in place on the top panel.
6. Repeat the same procedure to the other side panel.
7. Attach the handle to finish your pet's home.
8. Fix the divider if needed.
