

Quick Draw[™] UTV Overhead Gun Rack

QD862-OGR

Fits the Honda Pioneer 1000, Kawasaki Mule FXT, and ODES Dominator X4

The QuickDraw Overhead Gun Rack is the perfect way to safely keep your firearms at your fingertips---Ready for action! Also, for utility vehicles with covers on the top, your firearms stay totally protected from the elements. The QD862-OGR holds two guns securely in the inside roof area of the UTV. This gun rack extends from 54" in. to 60" in. from side to side.

- 2016 Kawasaki Mule Pro FXT UTV
- Honda Pioneer 1000 UTV
- Fits ODES Dominator X4 UTV's
- Unique mounting system that installs in just minutes without any drilling or bolting
- Super-soft rubber gun clips that provide easy access and secure transport
- Installs on UTV's with regular tops (Will not work on tops that prevents access to rear top frame)
