

TENNESSEE

GRILLING CO.

MADE IN

THE U.S.A.

WHY TENNESSEE GRILLING?

- ★ **Pure & Natural**
Zero contaminants or additives for the very freshest, most authentic flavor.
- ★ **Clean Burning**
Hard-pressed fibers mean a cleaner, slower burn.
- ★ **Versatile**
Works great in any wood pellet grill and smoker & can be used for flavor in traditional grilling.

PACKAGING

40 lb. bags

MADE FROM 100% HARDWOODS

Tennessee Grilling Co. specializes in premium quality, food grade BBQ pellets. Each flavor is uniquely crafted from the finest woods to enhance your meat, poultry, seafood & vegetables with rich, delicious flavor. Contains a blend of peach, apple, and other hardwoods. Taste the difference!

OUR COMMITMENT

We are committed to protecting our planet Earth by using sustainably sourced wood and other natural ingredients to produce our products and by using our innovative, eco-friendly manufacturing process. With this, we are reducing our carbon footprint by 25% through the production of biochar, which sequesters carbon, and by deriving 50% of our energy from renewable, biomass sources.

CONFLUENCE ENERGY — MAKING A GREEN PRODUCT EVEN GREENER.
