

## **5 Year Warranty**

### **Does Not Cover:**

Neglect, abuse, any alteration or modification to a product, acts of Mother Nature, hardware, shipping cost, over torquing bolts (inserts), animals chewing on parts, livestock damage, blunt force impact, electronics, battery, handles, feet, control box, or any other accessories what so ever.

**NOTICE:** Using salt based feed materials/blends through a Boss Buck control system will void the parts warranty! Salt based mineral supplements, such as Big Tine 30-06 mineral blend, will corrode and rust your feeder control box more rapidly than using corn, protein or other non-salt based feeds.

**\*\*\*Boss Buck Feeders are not warrantied for damages incurred when knocked over by wildlife, livestock, or acts of Mother Nature. We recommend properly anchoring your investment to prevent it from being damaged!\*\*\***

**\*Important Notice\*: We highly recommend you use foot pads on all Boss Buck feeders to protect them from sinking into the ground. Boss Buck offers Standard and Heavy Duty feeder feet as an accessory for your convenience. Please use our foot pads or a suitable substitute to anchor down your feeder!**

**\*\*\*Please note that timers are warrantied for 2 years. All other electronics and hardware are warrantied for 1 full year with proof of purchase!\*\*\***

### **Covers:**

Polyethylene Hopper, Blind Walls & Roof Material Only. Material will not crack, split, or break under normal conditions. Any severe damage to the Polyethylene material (hopper) that is not covered under this warranty can qualify for the sale of a replacement unit at a deeply discounted price upon return or acceptable photographic proof of damage.

### **Proof of Purchase:**

Please return the part to Boss Buck, Inc. along with the original receipt. Do not return to the dealer. Simply call Boss Buck, Inc. at 1-800-929-6244 for a return authorization number. Ship item to be replaced back to:

**Boss Buck, Inc.  
210 S. Highway 175  
Seagoville, TX 75159**

If you wish to receive the replacement part before returning the faulty/damaged part, you will need to call Boss Buck, Inc. You can **purchase** the replacement part before sending the faulty part back for testing. After receiving the faulty/damaged part, we will determine (after inspection & testing) if it is covered under our Limited Warranty Policy. If we determine the part is covered, we will credit your card back for the cost of the replacement part only. If we determine the part is not covered (neglect, abuse, acts of Mother Nature, hardware, over torquing bolts (inserts), animals chewing on parts, livestock damage, blunt force impact, manipulated), a refund will not be given.
