**Thank you for your purchase!** We are pleased that you have chosen Sunjoy for your outdoor furniture purchase. Our clear, easy to follow, step by step instructions will guide you through the project from start to finish.

## **Safety information**

- Keep all children and pets away from assembly area. Children and pets should be supervised when they are in the area of the production construction.
- This package contains small items and plastic bags that should be kept away from children.
- Proper placement of your product is essential. Do not place the product underneath electrical lines.
- Keep fingers away from places where they can be pinched or trapped.
- Some parts may contain sharp edges, wear protective gloves if necessary during assembly.
- When assembling and using this product, basic safety precautions should always be followed to reduce the risk of personal injury and damage to equipment. Please read all instructions before assembly and use.
- Check all screws for tightness before and during usage. Ensure that all connectors and poles are firmly and fully secured into position. It is important to do so before use so as to avoid a possible collapse or damage to the item, which could also result in injury.
- This product is intended for outdoor use only. Install on flat, level ground.
- Stakes are provided to secure the gazebo in grass ground. If you wish to secure the gazebo to a wood deck or concrete surface, you will need to purchase fasteners appropriate (such as expansion bolt) for these surfaces. These are readily available at your local hardware store or home center.
- The gazebo's roof and structure are not guaranteed against extreme weather conditions (storms, high winds, etc.). If the gazebo is not dismantled for the winter, snow must be cleaned off regularly. Any damage caused by snow accumulation is not covered by the warranty.
- Do not use the unit during an electrical storm, as there is a remote chance of getting struck by lightning.
- Do not leave the gazebo assembled when there is a risk of high wind, as possible damage will occur to the structure. Remove fabric roof and secure screen & privacy panels.
- Warranty does not cover damage due to extreme weather conditions.
- Please check your state and local regulations prior to purchasing. Some jurisdictions may require permits for, or otherwise regulate, installation and use.
- Do not use candles, matches or open flames of any kind in or near a tent.
- Build campfires downwind and several meters away from a tent and be sure to fully extinguish campfires before leaving a campsite or before retiring for the night.
- Exercise extreme caution when using fuel-powered lanterns or heaters inside a tent and use battery-operated lanterns whenever possible.
- Extinguish or turn off all lanterns before going to sleep. Do not smoke in a tent.
- Tools Required for assembly (NOT included): **Screwdriver, a hammer, and a ladder not lower than 2m (about 6.6 feet).**

## **Warning**

**Keep all flame and heat sources away from this tent fabric.** This tent meets the flammability requirements of CPAI-84. The fabric may burn if left in continuous contact with any flame source. The application of any foreign substance to the tent fabric may render the flame-resistant properties ineffective.

## **Important**

Please do not return this product to the store. For technical assistance or replacement parts, please call Sunjoy Group at 1 (866) 578-6569 between 8:00 AM EST and 8:00 PM PST. You may fax your replacement parts form (which is included in the packaging) to 1 (740) 283-3549 or email to [customer.care@sunjoygroup.com](mailto:customer.care@sunjoygroup.com)

## **Care & Maintenance**

- Before using, clean the product completely with a soft, dry towel. When not in use, wipe free of any dirt or loose objects, wash with a mild solution of soap and water; rinse thoroughly and dry completely.
- Do not use strong detergent or abrasive cleaners.
- Do not machine wash.
- Bolts can loosen over time. Be sure to check bolts occasionally, tightening as needed.
- This gazebo is not a permanent structure and should be disassembled & stored away after use.
- Our iron/steel components for garden accessories and patio items are coated with rust inhibiting paint that protects it from rusting. However, due to the nature of iron, surface oxidation (rusting) will occur once these protective coatings are scratched. This is a natural process and is not a defect! To minimize this condition, we recommend care when assembling & handling the product to prevent scratching the paint. Should any scratching or damage occur, we recommend immediate touch-up with rust inhibiting paint. Surface rust can also be easily removed with a very light application of common cooking oil. If surface oxidation (rusting) occurs and if no measure is taken to prevent this, the oxidation may start dripping on to deck or patio and cause damaging stains, which may be difficult to remove. This can be prevented if measure is taken to keep the product from oxidizing.
