Now your tent is ready for use.

IMPORTANT:

1. When assembling and using this product, basic safety precautions should always be followed to reduce the risk of personal injury and damage to equipment. Please read all instructions before assembly and use.
2. Some parts may contain sharp edges, wear protective gloves if necessary. At least four or more people are recommended for safe assembly.
3. Keep all children and pets away from assembly area.
4. At least 6 feet from any obstruction such as fence, garage, house, overhanging branches, laundry line or electrical wires.
5. Do not use the unit during an electrical storm, as there is a remote chance of getting struck by lightning.
6. The fabric roof should be removed for the winter in areas subject to heavy snowfall. A fabric roof could accumulate a lot of snow/weight which genuinely could be an issue. Remove fabric roof and panels to poles, when there is a risk of high wind, as possible damage will occur to the structure.
7. Install on level surface.
8. Never barbecue under this gazebo or use lanterns that have open flames.
9. This package contains small items and plastic bags that should be kept away from children.
10. Check all nuts and bolts for tightness before and during usage. Ensure that all connectors and poles are firmly secured in position fully. It is important to do so before use so as to avoid a possible collapse or damage to the item, which could also result in injury.

WARNINGS:

1. Assembly Instructions must be followed.
2. Pegs & ropes supplied must be used to hold this gazebo in place when upright.
3. Warranty does not cover damage due to extreme weather conditions.

LIMITED WARRANTY:

This limited warranty is extended to the original purchaser and applies to defects in materials and workmanship of your item provided the item is maintained with care and used only for personal, residential purposes.

The item is warranted to be free from defects in material or workmanship for a period of **1 year**. If any defect is found, please call our customer service department at 1-866-578-6569 for help. The manufacturer will not cover transportation or delivery costs, or compensate the individual or any outside party for assembling or disassembling the product.
