

ASSEMBLY INSTRUCTION

ITEM#: L-BC022PSS

WARNING:

- Keep all children and pets away from assembly area. Children and pets should be supervised when they are in the area of the Cooler construction.
- Keep assembly area at least 6 feet from any obstruction such as a fence, garage, house, overhanging branches, laundry line or electrical wires.
- Some parts may contain sharp edges. When assembling and using this product, basic safety precautions should always be followed to reduce the risk of personal injury and damage to the product. Please read all instructions before assembly and use.
- Check all bolts for tightness before use. **IMPORTANT** - check and tighten bolts often to keep them secure!

Important: For technical assistance on assembly or replacement parts, please call Sunjoy Industries at 1(866) 578-6569 from 8:00 AM EST to 8:00 PM PST. You may email to customer.care@sunjoygroup.com or visit www.sunjoyonline.com to place your order or fax your parts replacement order form (which is included in the packaging) together with your purchase receipt to 1 (740) 283-3549 for assistance.

PARTS LIST		
Label	DESCRIPTION	QTY
A	Knob	2
B	Lid (Pre-assembly)	1
C	Bottle opener	1
D	Cap Catcher	1
E	Body	1
F	Leg	2
G	Wheel (with brake and without brake pre-Assembly)	4

HARDWARE PACK		
Label	DESCRIPTION	QTY
AA	Bolt M8*80(Pre-assembly)	2
BB	Nut M8(Pre-assembly)	2
CC	Bolt M5*10 (Pre-assembly)	2
DD	Washer M5 (Pre-assembly)	2
EE	Bolt M5*35 (Pre-assembly)	2

ASSEMBLY STEPS

Step 1: Install the leg (F) on their relevant position, as pictures by using bolt (AA), nut (BB)

Step 2: Connect bottle opener(C) with body (E) with bolt (CC). Stuck the cap catcher (D) into the relevant position.

Step 3: Connect the knob (A) with lid (B) with bolt(EE) and washer (DD) and tight the bolts.

Care & Maintenance:

- Before using, clean the cooler with a soft dry towel.
- Drain the water in the cooler and dry the cooler with a soft towel.
- We recommend the use of furniture covers (not included) to protect your cooler while not in use.

Product Components Maintenance:

FOR IRON COMPONENTS:

- 1) Our iron components for garden accessories and furniture are finished using a powder coating process that protects it from rusting. However, due to the nature of iron, surface oxidation (rusting) will occur if these protective coatings are scratched. This is a natural process and is not a defect. To minimize this condition, use care when assembling & handling the product to prevent scratching the paint. Should any scratching or damage occur, immediately touch-up with rust inhibiting paint, which is readily available at a local hardware store. Surface rust can also be easily removed with a very light application of cooking oil. If rusting occurs and if no measure is taken to inhibit this, the rust may start dripping onto a deck or patio and cause damaging stains that may be difficult to remove. This can be prevented if measures are taken to keep the product from rusting.
- 2) To prolong the life of your cooler, it is recommended that you drain out all liquid and thoroughly dry your cooler after every use. Not complying with this care requirement can cause premature rusting and water deposits (metal interior) or molds and mildew (for plastic interior).

WARRANTY (6-month warranty)

Thank you for purchasing this SUNJOY product. These products have been made to demanding, high-quality standards and are guaranteed for domestic use against manufacturing faults. This warranty does not affect your statutory rights.

The product is guaranteed if used for normal trade purposes. Any warranty is invalid if the product has been overloaded or subject to neglect, improper use or an attempted repair other than by an authorized agent. Heavy-duty or daily professional/commercial usage are not guaranteed. Due to continuous product improvement, we reserve the right to change the product specifications without prior notice.
