# PUP-UP SHADE OASIS

**Lightweight, portable shade for your dog!**

Whether long-haired or short-haired, your furry family member, like us, is susceptible to harmful UV rays. Our *Pup-Up Shade Oasis* is designed to block out 98% of the rays, so you can rest assured they're staying safe, while they can rest easy in a shaded and ventilated space.

**AVAILABLE IN 2 SIZES**

LARGE

MEDIUM

**Relief from the sun**

All dogs can be susceptible to overheating and the potential harmful effects of over-exposure to the sun and UV rays. Short-nosed breeds and dark colored dogs may be more vulnerable to the heat, while thin coated and light colored dogs are more prone to sunburn and sun related illness as well.

INCLUDES: Pup-up Shade Oasis and 4 Ground Stakes

For use in providing shade only. Not intended as a containment device for a dog.
