Cautions:

- Do not put kennel in a place where could lead to harm for the pet or yourself
- Place the product on a sturdy, flat surface
- Do not use this product in any way other than its intended purpose
- Keep the product away from fire or extremely high temperatures
- This product is designed for indoor use only
- Refrain from using a leash with your pet when using this product; pet could become entangled
- Do not sit or stand on the kennel
- When opening door panel, be careful of pinching hands, fingers, or pet
- Wipe with a damp cloth to clean; do not use harsh chemicals such as benzine or thinner
- Use soft cloth for cleaning; do not use a scrub brush or abrasive scouring materials
- After cleaning, avoid drying product in direct sunlight; place in shade to dry

Manufacturer's Recommendations:

We recommend applying additional anti-chew bitters serum to your kennel on a regular basis especially if your pet is still a puppy or if your dog is not crate trained.

Provisions:

Please note this kennel is not chew-resistant and is not guaranteed to prevent animals of aggressive temperament from chewing the kennel and/or dislodging latching mechanism.
