

For the Following Items: EHHB102S, EHHB102M & EHHB102L (Espresso) and EHHB103S, EHHB103M & EHHB103L (Russet):

Habitat 'n Home™ My Buddy's Bunk™ is the comfortable bed that for your pet that every pet deserves. The popular Mission style bed frame is right at home in the family room, bedroom or living room. With its furniture like appearance, My Buddy's Bunk and its additional Habitat 'n Home suite of products let's your pet be close to the family instead of just tossing a fabric bed on the floor. Includes the thick 2" pad that has a removable, washable cover so it can be kept clean and fresh smelling. Made from ECOFLEX®, My Buddy's Bunk is also eco-friendly and a great value as it will outlast most other products designed for this use. Easy 10 minute - no tool - assembly. Very easy to keep clean. Since they are AllProof™, they are resistant to any and all natural causes of deterioration. Popular espresso and russet colors are embedded in the ECOFLEX material so scratches are less likely to show. Can actually be painted if necessary to co-ordinate with your other furnishings. Co-ordinates in color and style with the growing number of items in the New Age Pet® Habitat 'n Home collection. Available in attractive espresso and russet colors.
