

Fraser Hill Farm®

67" Snowman Scene with Snow Function

When Mother Nature fails to deliver that picture-perfect snowfall you wish for every year, create your own snowy scene with Fraser Hill Farm. Our *Let it Snow* Series includes a variety of dazzling holiday items that will help you deck the halls every holiday season. What makes this series special is that all products produce flurries of faux-snow that trickle over a bright, winter scene. Whether it's a whimsical Christmas Tree or family of caroling snowmen, the magic of the holidays comes to life in these self-containing, snow-blowing decorations.

Built-in speakers are also hidden within each item and are set to play 25 popular holiday tunes such as "Jingle Bells", "Up On The Housetop", "We Wish You A Merry Christmas", and many more. With easy assembly and a flip of a switch you can play Mother Nature by creating your own winter wonderland in the comfort of your home.
