

Polish and smooth edges like an Expert

Many home and automotive projects need that particular tool to deburr small, hard to reach areas. The Campbell Hausfeld TL0520 Air Die Grinder delivers 25,000 RPM for quick, precise action. Use the TL0520 to smooth out sharp edges, polish and deburr surfaces and much more.

Designed with you in mind

The TL0520 is ideal for smoothing sharp edges, deburring, polishing, porting and grinding a wide variety of materials. This includes metal, plastic, and wood.

- **Oversized hex nut**
for easy bit replacement using standard open ended wrenches
- **Powerful, compact tool**
with 25,000 RPM for proficient and detailed application
- **Ergonomic design**
including a soft composite grip for increased comfort
