

Smooth out the job like an Expert

Some jobs require a delicate touch and having the right tool for that job can make all the difference. The Campbell Hausfeld TL0504 is essential for blending and finishing sanding detailed projects. The powerful, dual action motion is designed to give a swirl-free finish.

Designed with you in mind
The TL0504 is ideal for smoothing and blending surfaces such as wood cabinets, furniture and auto body filler, as well as removing paint for refinishing

- **Dual Action**
design for swirl-free finishes
- **Built in power regulator**
to control speed during delicate applications
- **Ergonomic, lightweight design** including aluminum body and soft composite grip for increased comfort

Air Compressor Recommendation

30 Gal. or Larger

4.3 CFM @ 90 PSI
