## **RHODE ISLAND RED**

Rhode Island Reds are a popular choice for the small flock owner as a do-everything breed of chicken. They are high-producing and efficient brown egg layers, and are among the best egg layers of the dual purpose breeds. This breed is valued for their meat qualities and are suitable for most climates.

Main use – M/E

Egg Production – H

Size and color – L-XL/Brown

Best kept free range and confined; cold hardy and heat tolerant.

Classified as Recovering by the ALBC.
